Chain of Lakes Animal Clinic

March 2019

Spring break and Florida is like dogs and peanut butter. Why not include your pet during your family trips and outings this March!

Traveling Abroad!

Whether you are traveling around Florida or to another state, be prepared for what is needed to ensure your pet has a great trip too! If flying, check with your airline for what's required to travel with your pet. Airlines have restrictions when it comes to crate dimensions, health certificates, and weather temperatures. We are happy to complete a health certificate before you travel!

If you're driving, it's a great idea to gather some items to bring with you. Poop bags, a collar with a current ID tag, food (if you're staying overnight or missing a meal), water/food bowl, water bottle, vaccine records, and any medications needed during that time. If your pet gets stressed by being in the car or flying, consider trying something to help relax your pet before you leave.

We will be happy to discuss any questions or concerns you have before traveling.

Pet Friendly Fun!

The beach is the first thought for most people when they mention spring break. Here are some pet friendly places your pet can swim near by!

Fort De Soto Dog Beach in St. Petersburg,
Honeymoon Island State Park Dog Beach in Dunedin,

Lake Baldwin Park in Orlando,
Gulfside (Algiers) Beach in Sanibel,
Jupiter Beach in Jupiter.

Please check restrictions before going to any of these parks.

New Online Pet Portal!

Now available on our website you can register and find your pet's information and vaccine records!

Visit our website at www.chainoflakesvet.com, click the tab "Pet Portal", then click "Register" for your first time. Once registered, it will give you access to your pet's information and their vaccine records.

This is a great tool to have in case you need to go out of town, board, visit grooming, or to have for your records at home.

Clinic Announcement

Horizon West Fest

Saturday, March 9th from 2-8pm!

Come out to Hamlin for live music & performances, a huge interactive kid zone, talent show, face painting & caricatures, food & drinks, and more! All activities are free (with the exception of food & drinks).

Full schedule of events at www.HorizonWestFest.com

Come by and visit Dr. Chesanek & Megan at the Chain of Lakes Animal Clinic Booth!

We can't wait to see you all there!
