Happy Healthy Cat Month!

Happy Healthy Cat Month is brought to us by the CATalyst Council to help spread education and awareness about the health, welfare, and importance of companion cats!

The CATalyst Council's vision is a cat-caring society which will be achieved through our mission of connecting and collaborating to advance the health, welfare and value of companion cats. This will ensure all cats are cared for and valued as pets.

How to celebrate Happy Healthy Cat Month:

-Schedule your cat's Annual Wellness Exam!

Our purr-fect companions wellness exam often get overlooked. Cats are very independent, but still rely on their pawrents to take care of their health.

-Make sure your cat's up to date on heartworm preventative

Even if your cat is strictly indoors, they are still at risk for intestinal parasites, fleas, ticks, and heartworms. Did you know that there is no treatment for kitties with heartworm disease? There are often no warning signs that your kitty has heartworms. Heartworm disease is fatal in cats.

-Get your cat a few new toys!

When you take the time to interact and play with your cat using stimulating toys, you are further strengthening your bond, preventing unnecessary weight gain and keeping them mentally stimulated.

September Pet Days!

Ginger Cat Appreciation Day

September 1st

Adopt A Less Adoptable Pet Week

September 16th - 22nd

World Rabies Day

September 28th

Clinic Announcement

Don't forget to vote for your pet for a chance to be featured in the 2020 clinic rescue calendar! Pets will be chosen by your friends & family on Facebook. Pet parents will be contacted with more information.

All proceeds from calendar sales will benefit A Forever Home Animal Rescue!
